GRÓ GTP HOME COUNTRIES SEMINAR

GTP 6-month fellows present the status of geoth. development in their home countries

Time: 9:00 UTC (Reykjavík)

Venue: Orkugardur, Grensásvegi 9, Víðgelmir

Zoom: <https://zoom.us/j/97391422822?pwd=K20xUGRFMytPMmdEb2lLcTlrWFBHUT09>

| | | | |
|-------|--------------------------|----------|--|
| 9:00 | Mohamad El-Amine Slimani | Algeria | Geothermal resources and utilization in Algeria |
| 9:10 | Mohamed Ali Tabet | Djibouti | Djibouti geothermal development and status |
| 9:20 | Eyasu Solomon Abebe | Ethiopia | Updated geothermal development in Ethiopia |
| 9:30 | Kebede Mengesha Negatu | Ethiopia | Updated geophysical exploration for geothermal resources in Ethiopia |
| 9:40 | Makda Kinfu Gebreyesus | Ethiopia | Status of geothermal drilling in Ethiopia |
| 9:50 | Danson Warui Kariuki | Kenya | Geothermal exploration in Kenya - Part 1 |
| 10:00 | Monicah Kimonda Kibet | Kenya | Geothermal exploration in Kenya - Part 2 |
| 10:10 | Nahashon Karanja Nzioka | Kenya | Geothermal drilling status in Kenya |
| 10:20 | Eriq O. Nyawir | Kenya | Geothermal reservoir and steamfield management in Kenya |

10:30 BREAK

| | | | |
|-------|--------------------------------|-------------|---|
| 10:50 | George Maingi | Kenya | Geothermal utilization in Kenya |
| 11:00 | Rose Wambui Mathenge | Kenya | Environmental management in geothermal development |
| 11:10 | Fred Ssemuyaba | Uganda | Status of geothermal development in Uganda – A country update |
| 11:20 | Jhon Camilo Matiz Leon | Colombia | Status of the geothermal resources of Colombia |
| 11:30 | Amanda Elisa Viteri Nolivos | Ecuador | Ecuador, a look at the progress of geothermal exploration |
| 11:40 | Mayra Raquel Hernández Cabrera | El Salvador | Geothermal systems in El Salvador, C.A. |
| 11:50 | Luis Antonio Rivera Ardon | El Salvador | Development of geothermal power production in El Salvador |

12:00 LUNCH

| | | | |
|-------|--------------------------------|-------------|--|
| 13:00 | Rebeca Lizeth Ortiz López | Nicaragua | Overview of geothermal development in Nicaragua - Part 1 |
| 13:10 | Agata Rostrán Largaespada | Nicaragua | Overview of geothermal development in Nicaragua - Part 2 |
| 13:20 | Jiao Tian | China | The distribution of geothermal systems and current utilization in China |
| 13:30 | Kriti Yadav | India | Geothermal fields of India and their applications |
| 13:40 | Widya Asoka Suleman | Indonesia | Strategic activities of geothermal division – Center for mineral coal and geothermal resources |
| 13:50 | Sigit Suryanto | Indonesia | Geothermal development in Indonesia: A case study of Tompaso Geothermal Field |
| 14:00 | Nursanty Elisabeth Banjarnahor | Indonesia | Development plan of Dieng and Patuha geothermal fields, Indonesia |
| 14:10 | Mohamad Hasan Javadi | Iran | Iran is getting ready for producing geothermal energy |
| 14:20 | Rizabigail Guevarra Reyes | Philippines | Geothermal energy in the Philippines |

14:30 CLOSE
