

Annual UNU-GTP seminar on geothermal status in the partner countries

The 2018 UNU-GTP Fellows will give presentations about the status of geothermal energy research, development and application in the participating countries Friday, 11 May 2018, in Víðgelmir, Grensásvegur 9, starting at 9:30

The presentations are open to everyone interested in geothermal energy

Time	Nr	Name	Country	Title of presentation
09:30 - 09:40	1	Charlin Bodley	St. Lucia	Geothermal development in St. Lucia: A country update
09:40 - 09:50	2	Titlon Rhonda Douglas	Nevis	Geothermal development in Nevis: A country update
09:50 - 10:00	3	Pamela Verduguez	Bolivia	Geothermal energy development in Bolivia: Part I
10:00 - 10:10	4	Yerko Figueroa Penarrieta	Bolivia	Geothermal energy development in Bolivia: Part II
10:10 - 10:20	5	Matilde del Pilar Urquizo Cabrera	Ecuador	Geothermal development in Ecuador: A country update
10:20 - 10:30	6	Laura Violeta Cordero de Fuentes	El Salvador	Geothermal energy in El Salvador: A country update
10:30 - 10:50		Coffee break		
10:50 - 11:00	7	Yufei Xi	China	Survey of geothermal resources in China
11:00 - 11:10	8	Xiaoqing Ren	China	Geothermal development status of Sinopecge, China
11:10 - 11:20	9	Syed Hilal Farooq	India	Geothermal potential of India
11:20 - 11:30	10	Adhiguna Satya Nugraha	Indonesia	Geothermal utilisation in Indonesia
11:30 - 11:40	11	Gloria Gladis Sondakh	Indonesia	Geothermal exploration in Indonesia: Current status and challenges
11:40 - 11:50	12	Margiet Candrikawati	Indonesia	Geothermal development in Indonesia: Policies, current status, and achievement targets for 2025
11:50 - 12:00	13	Jeffrey Guzman Saygo	Philippines	Geothermal energy development in the Philippines
12:00 - 13:10		Lunch break		
13:10 - 13:20	14	Mouhoumed Mahamoud Ahmed	Djibouti	Geothermal development in Djibouti: A country update
13:20 - 13:30	15	Biniam Zerihun Amanu	Ethiopia	Geothermal development in Ethiopia: Project status
13:30 - 13:40	16	Tsegaye Wondifra Tadesse	Ethiopia	Geothermal exploration in Ethiopia: A country update
13:40 - 13:50	17	Victor Okello Atwa	Kenya	Geothermal development in Kenya: A country update
13:50 - 14:00	18	Eunice Anyango Bonyo	Kenya	Geothermal surface exploration in Kenya
14:00 - 14:10	19	Rufus Kimindi Maina	Kenya	Drilling update in Okaria, Kenya
14:10 - 14:20	20	Benard Kibichii Kigen	Kenya	Geothermal drilling equipment in Olkaria, Kenya
14:20 - 14:30	21	Nathaniel Njeru Mugo	Kenya	Geothermal Power plants in Kenya
14:30 - 14:50		Coffee break		
14:50 - 15:00	22	Makoye Mabula Didas	Tanzania	Geothermal status in Tanzania: Geothermal potential and exploration
15:00 - 15:10	23	John Joseph Lubuva	Tanzania	Geothermal status in Tanzania: Future development plans
